The Strain Reliever™ "Pill Bottle"

(Part No. 9977)

INDICATIONS:

For permanent **relief of strain** associated with not having the solution.

DIRECTIONS:

Remove top and shake out a potential solution. Take one dose each time "**no solution**" symptoms appear. Repeat as needed. This prescription may be refilled at any time because new solutions are constantly being generated.

WARNING:

If strain persists or gets worse, consult your Heyco representative immediately because this could be a sign of a serious problem in need of a Heyco solution!
